

# Sakshi Sachin Jadhav

Software Developer | React.js | Next.js | Vue.js | Node.js

 sakshisjadhav.120@gmail.com  +91 9822949823  Portfolio  LinkedIn  GitHub  India

## PROFESSIONAL EXPERIENCE

- Full Stack Web Developer – Umar Zone Infotech (Remote)** 

04/2025 – Present  
Mumbai, India

  - Contributed to brainstorming sessions for new feature implementations.
  - Developed over 35+ production-ready responsive pages using Next.js and reusable components.
  - Built scalable UI architecture using structured SCSS and nested CSS for better maintainability.
  - Developed a WordPress-like CMS featuring reusable templates that support multi-site and multi-tenant deployments.
  - Created newsletter functionality for email notifications.
  - Enhanced API handling with loading states, error handling, and retry mechanisms.
  - Ensured cross-browser compatibility and responsive design across multiple devices.
  - Collaborated with backend engineers and product teams to deliver scalable features on time.
  - Maintained software version control using GitHub release tags.
  - Implemented microservices architecture across frontend and backend for scalable and modular development.
- Frontend Developer – gofloww (On-site)** 

02/2024 – 03/2025  
Pune, India

  - Developed HR, Accounting, and Mail modules, integrating REST APIs for efficient data handling.
  - Converted Figma designs into SEO-friendly, responsive, production-ready web applications.
  - Improved application performance using lazy loading, code splitting, and other optimization techniques.
  - Implemented real-time attendance and task analytics, enhancing system functionality.
  - Increased operational productivity by 75%, reduced errors by 20%, and improved overall system efficiency by 30%.
- Frontend Developer (UI) - Banao Technologies (Remote), Contract** 

01/2023 – 01/2024  
Bengaluru, India

Created modern, responsive, and pixel-perfect UI using React.js, HTML5, CSS3, and JavaScript, leveraging various CSS frameworks like Bootstrap and Tailwind.

## SKILLS

|                                                                    |                                                                                   |                                               |                                                              |
|--------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------|--------------------------------------------------------------|
| <b>Frontend</b><br>HTML5, CSS3, SCSS, Tailwind CSS, Bootstrap, MUI | <b>Frameworks / Libraries</b><br>React.js, Next.js, Vue.js, Angular, React Native | <b>State &amp; APIs</b><br>Redux, Context API | <b>Languages</b><br>JavaScript (ES6+), TypeScript, Python, C |
